Dear Elizabeth France:

This responds to your Freedom of Information Act (FOIA) request, dated and received in this Office on May 11, 2018, for records of communication between the Offices of the Attorney General, Deputy Attorney General, and Associate Attorney General and named individuals and organizations since January 20, 2017. This response is made on behalf of the Offices of the Attorney General, Deputy Attorney General, and Associate Attorney General.

Please be advised that a search has been conducted in the Offices of the Attorney General, Deputy Attorney General, and Associate Attorney General, and one page was located which contains a record responsive to your request. I have determined that this one page is appropriate for release with an excision made pursuant to Exemption 6 of the FOIA, 5 U.S.C. § 552(b)(6), which pertains to information the release of which would constitute a clearly unwarranted invasion of personal privacy.

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. *See* 5 U.S.C. § 552(c) (2012 & Supp. V 2017). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

If you have any questions regarding this response, please contact Denise Clark of the U.S. Attorney's Office for the District of Columbia, at 202-252-6605.

Sincerely,

Jonathan Breyan

General Rosenstein,

Not that you don't have enough going on, but hope you can help me out.

I have some international banking clients coming to DC to discuss compliance issues especially those related to terrorist financing, etc. We have meetings set at State and Treasury with officials charged with such matters.

I would like to set up one or more meetings at DOJ, perhaps with the Counterterrorism Section in NSD, or the International Unit within the Money Laundering section in the Criminal Division.

Could you please do me a favor by asking someone to reach out to me to help me sort out who might be the best DOJ person(s) to meet with, and hopefully help connect me with that/those person(s)?

Hope this finds you and your family doing well.

Best regards,

Bud
